Folks -- I had thought I sent the message below several hours ago, but just now see it in my outbox. We will open the line if region 8 wants to participate. But please email if you wish to do so.

I had intended to send this Adding paul to carrie's message below. As she says, we plan to mention to Avi and/or Stacey at our reg review at 1 to see if they need anything further. CCIL0 and region 8 are welcome to sit in. Since Avi was briefed by region 8, it may be that he has everything he needs so no need for discussion so it would be a very brief agenda topic.

Paul -- if the region wants to participate please reply to all and Aditi can you please open the phone line if so.

The call in number is Ex. 6 Personal Privacy (PP)

We have just become aware of this meeting. We can add to our WLO weekly agenda; meeting with front office is today at 1 pm. Avi has been briefed on this more recently than we have, so not sure we have much more to add, but we'll see if he has any questions. No one else from OGC is invited that I know of.

Hi all – attached are the briefing docs for Friday's Administrator briefing. Not sure why the subject line says 10:30am Eastern. The briefing doc says it's 2:30pm Eastern. - Lucita

Hi all –
Here are the final versions of the briefing materials. Betsy just sent the materials out to the participants – you can see the list of invitees below.

I'm also attaching the latest version of the talking points. You will also get an invite from Betsy for 12:30 pm tomorrow (Thurs) as Deb would like to go over the talking points. I cast a wide net for that meeting so we can make sure she's prepared. Please let me know if I missed anyone.

Thanks!
Sarah
